Earthscape Coir
products**

TO CHOOSE EARTHSCAPE GROW BAGS & OPEN TOPS

01 | Pure Performance

Our sieved, dust-free coir ensures perfect aeration so roots don't just grow, they explode.

03 | Sterile Standard

Processed in closed-tunnel systems to guarantee zero weeds, zero pests, and zero pathogens. Just 100% pure substrate.

02 | Maximum ROI

With a strict 15-18% moisture level, you get more raw material per bag and faster expansion. More product, better value.

earthscape
earthware for eco balance

Earthscape grow bags are a convenient and sustainable growing solution made from compressed cocopeat.

Coconut Coir

Coconut Husk Chips

**Excellent water retention with proper drainage
Promotes strong root development and higher yields
Weed-free, debris-free & low-dust for cleaner cultivation**
